Health Certificate Requirement (Equine Herpes Virus)

1. A health certificate dated within the 72 hours of arrival with a rectal temperature and a Certificate of Veterinary Inspection containing the following statement and signed by the attending veterinarian

“Horse(s) represented on this certificate of Veterinary Inspection:

Have not originated from a barn with a confirmed or suspect case of equine herpes virus or strangles, nor have shown signs suggestive of these diseases, nor have been febrile within the previous 3 weeks.

Have not originated from nor been stabled on a premise under quarantine or restriction due to EHV-1 or from a premise which has had herpes virus diagnosed during the previous 30 day period.

Have been vaccinated against EHV-1 no less than 14 days and no greater than 90 days.”

Shoes – A horse may not train or race with front shoes that have toe grabs which exceed 2mm, or bends, turn-downs, stickers, jar caulks or any other traction device. Turn-downs of more than ¼” will not be permitted on hind shoes. On the Safetrack surface, OBS recommends the use of only flat Queen’s Plate, Queen’s Plate XT or equivalent.

Medication Rules – Florida medication rules apply

Test Barn – the 1st two finishers must go to test barn after the race which is located behind the saddling paddock.

Jockeys – the 1st two finishers must weigh out with the Clerk of Scales at the finish line. All other horses may return to saddling paddock.

Badges are available from Rick Coyne or Jan O’Quinn in the OBS office

Tables – due to space limitations, seating in the OBS restaurant on the 2nd floor will be limited to four per horse entered. Additional seating may become available after initial assignment. Contact Jan O’Quinn for information.

Shuttle to hotel is available for stable employees. Contact the stable gate if you need transportation.
