Under Tack Shows

Thursday, March 9th thru Saturday, March 11th - 8:00 A.M
Submit the enclosed under tack form by noon, Friday, March 3rd

EHV-1 Guidelines—VERY IMPORTANT

You **MUST** submit EHV-1 vaccination records. Complete the attached form signed by your veterinarian. All horses shipping from out of state **MUST** be accompanied by a negative coggins and a health certificate with the following statement written on the health certificate; **“The horses listed on this certificate have not shown signs suggestive of the EHV-1 disease within the previous 60 days and have not originated from nor been stabled on a premise under quarantine or restriction due to EHV-1 or from a premise which has had herpes virus diagnosed during the previous 60 day period.”**

Equine Piroplasmosis Testing

While an Equine Piroplasmosis test will **not** be required for the 2017 March sale, horses traveling from out of state should contact the Florida Department of Agriculture (850- 410-0900) for any additional documentation needed to enter the state of Florida.

IT IS IMPORTANT THAT OBS HAS THE FOLLOWING DOCUMENTS ON FILE:

- Coggins (dated within 6 months of date of sale)
- EVA Test (dated within 90 days of date of sale)
- EHV-1 vaccination record (dated between 14 and 90 days from sale)
- Authorized Agent Forms
- Jockey Club Certificate

PLEASE NOTE

Identify all horses by registered name and/or dam & foaling year, not by nickname or barn name.

**PLEASE PROVIDE PAPERWORK PROMPTLY. NOTIFY LOUISE MEDLIN OF ANY PROBLEMS!!
THE DEADLINE FOR ALL PAPERWORK TO AVOID A \$100 LATE FEE IS FRIDAY, March 3rd
PLEASE CONTACT YOUR BANK, THEY DO NOT SEND PAPERS AUTOMATICALLY.
OVERNIGHT PACKAGES SHOULD BE SENT TO OUR STREET ADDRESS.**

Racetrack Schedule

Through February 26th the main and training track hours are 6:00 AM until noon

Starting Monday, February 27th track hours will be 6:00 AM until 1:00pm (both tracks) and the $\frac{3}{4}$ chute will be open. There will be a break on the main track starting at 9:00 AM and there will be a break on the training track starting at 9:30 AM

Thursday thru Saturday, March 9- 11: the main track will be CLOSED for the Under Tack Show.
The Training Track will be open 6:00 AM until noon with a break at 9:30 AM

Please note horses must train with an OBS saddle towel no later than Thursday, March 2

REMINDER!

Carefully review the catalog page for accuracy, especially state-bred and stakes eligibility. You, the consignor, are responsible and any errors could result in the return of the horse.

Notify Lauren Marks of any corrections as soon as possible.

Thoroughbred Aftercare Alliance

OBS is one of many industry institutions that have pledged to participate in the Thoroughbred Aftercare Alliance (TAA). As part of the participation, OBS and its buyers and consignors may contribute .05% (1/20th of 1 percent) of all sales. This comes out to \$50 for every \$100,000 in sales. RNA's will not be included in contribution calculations.

The OBS feed store located at the stable gate will be open for feed, hay and supplies for your convenience from 7:30 AM to 5:30 PM weekdays, 7:30 AM to 4:30 PM Saturday, and 9:00 AM to 2:00 PM on Sunday, March 12th.

Please be available at your barn two hours prior to the sale to provide assistance to our hip taggers and expedite the process. Please be reminded that if the buyer does not pick up the horse or make arrangements for its care, the consignor should insure the horse will be cared for. If you can no longer care for the horse, notify OBS so we may look after the horse. Do not remove the sales halter or hip tags from the horse and return halter tags and saddle towels to the stable gate.

Barn assignments are listed below. Pony stalls may be available upon request. **SHAVINGS (BAGGED ONLY) ARE ALLOWED FOR THIS SALE. BULK SHAVINGS MAY BE USED FOR INITIAL SETUP AS LONG AS THEY ARE IMMEDIATELY PUT IN THE STALLS AND NOT STORED ON THE GROUND. PLEASE DO NOT USE EMPTY STALLS FOR SHAVINGS STORAGE.** If you are using straw bedding, initial bedding will be provided by OBS. **Stalls will be available Saturday, February 25th.** Contact Tracy Alderson for additional information.

Please review the attached information sheet, and contact us for any assistance.

Sincerely,

Tod Wojciechowski
Director of Sales

All sale horses must be stabled on the sales grounds by Sunday March 5th.

STABLING INFORMATION

CONSIGNOR: _____

BARN: _____

OBS MARCH 2017 SALES INFORMATION

STALLS: Do not use a stall or tack room without OBS approval. Stalls are assigned for sale horses only. Please cooperate with fellow consignors if tack rooms/stalls need to be shared.

MEDICATION, RIDING CROPS, HORSESHOES, PROHIBITED PRACTICES: Please see attached policy effective February 2015.

TESTING:

- 1) Post-breeze random testing will be performed on horses selected at the sole discretion of OBS. Blood will be drawn at the test barn (Barn 12A)
- 2) Buyers may request testing for exogenous anabolic steroids at the time of purchase and for undisclosed medication within 24 hours of purchase.
- 3) Test results will be submitted to the Department of Agriculture as required. The consignor is subject to penalties described in Florida Statute Chapter 535.08 including being charged with a misdemeanor and barred from selling for a period of 2 years.

MEDICATION REPORTING: All medication administered to a horse within 72 hours of an under tack show or beginning of a sales session must be reported the earlier of 12 hours after treatment or 1 hour **prior to an under tack show and/or sales session**. The reports must be signed by a Florida licensed veterinarian and submitted to the OBS main office or the repository. The reports must identify the medication and the amount, strength and mode of administration; the date and time of administration; and the diagnosis and/or reason for treatment. Medications may only be administered at or below manufacturers recommended dosages.

SUMMARY OF MEDICATION REGULATIONS (FLORIDA CHAPTER 535.08): No person shall administer to a thoroughbred horse offered at a licensed public sale any substance recognized as an injectable, oral, or topical medication within 72 hours of the start of the sales session (or under tack show) unless the person is a licensed veterinarian and the medication is therapeutic or necessary for the treatment or prevention of an illness or injury and is reported to the sales organization. A separate medication form signed by a veterinarian must be submitted individually for each horse treated. Copies of 535.08 are available at OBS.

REPOSITORY: THERE IS NO LONGER A BONE WARRANTY FOR ANY HORSE WHETHER OR NOT THERE ARE RADIOGRAPHS IN THE REPOSITORY. PLEASE REVIEW THE ENCLOSED RULES AND INFORMATION REGARDING THE REPOSITORY AND THE CHANGES TO THE OBS CONDITIONS OF SALE. The information may also be found on the OBS website

PAPERWORK: A \$100 late fee will be assessed after **FRIDAY, March 3rd**. Please submit your paperwork, including authorized agent forms, as soon as possible and make necessary arrangements with your bank.

EHV-1 VACCINATION RECORDS: OBS requires the EHV-1 vaccination records form signed by a veterinarian to be submitted. All horses shipping from out of state MUST be accompanied by a negative coggins and a health certificate with the following statement written on the health certificate; "The horses listed on this certificate have not shown signs suggestive of the EHV-1 disease within the previous 60 days and have not originated from nor been stabled on a premise under quarantine or restriction due to EHV-1 or from a premise which has had herpes virus diagnosed during the previous 60 day period."

EQUINE PIROPLASMOSIS TESTS: While an Equine Piroplasmosis test will **not** be required for the 2017 March sale, horses traveling from out of state should contact the Florida Department of Agriculture (850- 410-0900) for any additional documentation needed to enter the state of Florida.

UNDER TACK SHOW: Horses must be presented as scheduled. Changes must be approved prior to the under tack show. Please keep your horse to the side and out of the way while waiting for your rider. A horse may only appear once during the under tack show.

Under Tack Forms must be submitted by noon, Friday, March 3rd

RACETRACK SCHEDULE: Through February 26th the main and training track hours are 6:00 AM until noon. Starting Monday, February 27th track hours will be 6:00 AM until 1:00pm (both tracks) and the ¾ chute will be open. There will be a break on the main track starting at 9:00 AM and there will be a break on the training track starting at 9:30 AM. Thursday thru Saturday, March 9- 11: the main track will be CLOSED for the Under Tack Show, but the Training Track will be open 6:00 AM until noon with a break at 9:30

TRACK AND UNDER TACK RULES: Please see attached notice.

SADDLE TOWELS/HIP TAGS/HALTERS: Be available at your barn two hours prior to the sale to assist our hip taggers. Do not remove SALE HALTERS or HIP TAGS. \$25 will be charged for halter tags or saddle towels not returned to the OBS Stable Gate.

CARE OF HORSE AFTER SALE: The consignor is responsible for the care of the horse until the buyer picks up the horse or for at least **48 hours** after the sale. Notify OBS after that time so that we may look after the horse.

SHAVINGS: Only bagged shavings are allowed. However, bulk shavings may be used for initial setup as long as they are immediately put in the stalls and not stored on the ground. Stalls are not allowed to be used as storage of bulk shavings.

MUCK PICK - UP SCHEDULE: Muck wagons will be removed starting at 8:30 AM daily and returned at the end of the day.

SIGNS/STALL CARDS: Signs may not be hung in the shed row or by an entrance/exit of the barn. OBS will assist you in hanging signs from the barns. **OBS is not responsible for signs left after the sale.** Consignors are responsible for their own stall cards.

GATES: Please bring in your sales tack, feed, and equipment in early morning or after the sale. Trucks will not be allowed in the barn area after 9:00 AM each morning so consignors may show their horses

NO DOGS are allowed on the sale premises

OCALA BREEDERS' SALES COMPANY

Policy for Medication, Prohibited Practices, Riding Crops and Horseshoes (Updated January 2017)

Medication

All medication administered to a horse within 72 hours of an under tack show or beginning of a sales session must be reported the earlier of 12 hours after treatment or 1 hour **prior to an under tack show and/or sales session**. The reports must be signed by a Florida licensed veterinarian and submitted to the OBS main office or Repository. The reports must identify the medication and the amount, strength and mode of administration; the date and time of administration; and the diagnosis and/or reason for treatment. Medications may only be administered at or below manufacturers recommended dosages.

Under tack show – controlled therapeutic medication guidelines

The administration of nonsteroidal anti-inflammatory drugs (NSAIDs) and bronchodilators must be in accordance with the Association of Racing Commissioners International (RCI) schedule for controlled therapeutic medications. **No medication may be administered within 24 hours of a horse's under tack show performance.**

Additional restrictions/clarifications:

- 1) No more than two (2) non-steroidal anti-inflammatory drugs (NSAID) may be present in a test sample.
 - a) If two NSAIDs are administered prior to an under tack show, RCI stacking thresholds will apply.
 - b) Firocoxib (Equioxx) has a withdrawal guideline of 14 days
- 2) No more than one (1) corticosteroid may be present in a test sample.
- 3) **Intra-articular injections are prohibited on the sales grounds.**
- 4) Bronchodilators
 - a) Clenbuterol may not be administered within **14 days** of an under tack show or sales session in which the horse is entered.
 - b) Albuterol may only be administered intra-nasal per RCI dosage specifications and may not be administered within 72 hours of an under tack show or sales session in which the horse is entered. Administration of albuterol by any means other than intra-nasally has a high likelihood in resulting in a positive finding.
 - c) No other bronchodilator may be administered within 72 hours of an under tack show or sales session in which the horse is entered.
- 5) The following exogenous anabolic steroids or their esters may not be administered within 45 days of sale: Stanozolol, Boldenone, Nandrolone, or Testosterone. The administration of any other exogenous anabolic steroid at any time is prohibited.
- 6) The following medications may **NOT** be administered on the sales grounds:
 - a) All substances classified as either Class 1 or Class 2 by the Association of Racing Commissioners International (RCI).
 - b) Furosemide (Salix) (except for horses that have raced on Furosemide)
 - c) Procaine Penicillin

Please note: Fluphenazine (Prolixin), Reserpine (Serpasil), Carisoprodol (Soma, Rela) are class 2 medications. Many herbal supplements contain prohibited substances including bronchodilators and stimulants.

Please review these medication policies with your veterinarian to assure compliance.

- RCI Uniform Classification Guidelines: [Uniform Classification Guidelines updated 12/9/16](#)
- RCI Controlled Therapeutic Medication: [ARCI-controlled-therapeutic-medications-schedule updated 12/9/16](#)
- Florida Statute 535.08: [FL Statute 535.08.pdf](#)

These are also available at the OBS office and accessible on the OBS website under consignor information.

Testing

- 1) Post-breeze random testing will be performed on horses selected at the sole discretion of OBS.
- 2) Buyers may request testing for exogenous anabolic steroids at the time of purchase and for undisclosed medication within 24 hours of purchase.
- 3) Test results will be submitted to the Department of Agriculture as required. The consignor is subject to penalties described in Florida Statute Chapter 535.08 including being charged with a misdemeanor and barred from selling for a period of 2 years.

Prohibited Practices

Horses that have been subject to any of the following prohibited practices shall be subject to return or withdrawal:

- 1) **Extracorporeal Shock Wave Therapy or Radial Pulse Wave Therapy**
- 2) **Acupuncture and/or Electro-Stimulation** with the intent of altering laryngeal function
- 3) **Electrical devices** designed or used to increase the speed of a horse. Anyone in possession of a prohibited electrical device will be banned from the OBS sales grounds.
- 4) **Any invasive practice which intentionally conceals a material defect or chronic lameness.**
- 5) **Internal Blister or other injections** to the knee intended to have the effect of concealing the true conformation of the horse is not permitted at any time.

Use of a Riding Crop and Spurs at an Under Tack Show

At any time after the starting pole which the horse begins to breeze (i.e. 1/8, 1/4, or 3/8), a rider may only use the riding crop while both hands are holding the reins and may not strike the horse behind the girth. A rider is prohibited from striking the horse in any manner beyond the finish line. In situations where the safety of the horse or rider is in jeopardy, a riding crop may be used in front of the girth. Excessive whipping before the beginning of the work or in preparation for a breeze is prohibited. Spurs are not allowed at an under tack show. Any infraction of this rule may result in a fine of \$500 fine to be paid by the consignor. Chronic offenders may be banned from riding on the sales grounds. The sales company or its representatives have full, final and sole authority to interpret and enforce this rule. Funds collected from fines levied will be distributed to a thoroughbred industry related charity at the sole discretion of Ocala Breeders' Sales Company.

Horseshoes

A horse at a two-year-old in training sale may not train with front shoes that have toe grabs which exceed 2mm, or bends, turn-downs, stickers, jar caulks or any other traction device. Turn-downs of more than ¼" will not be permitted on hind shoes. For training on the Safetrack surface, OBS recommends the use of only flat Queen's Plate, Queen's Plate XT or equivalent.

Summary of RCI recommended withdrawal times for administration of NSAIDs and Bronchodilators

Refer to RCI Controlled Therapeutic Medication Schedule –[ARCI-controlled-therapeutic-medications-schedule updated 12/9/16](#)

NSAIDs – no more than 2 may be present in a test sample

Diclofenac (Surpass)	48 hours	
<ul style="list-style-type: none">• Five inch ribbon topical application of 1% diclofenac liposomal cream formulation• 5 nanograms per milliliter of plasma or serum		
Firocoxib (Equioxx)	14 days	
<ul style="list-style-type: none">• Oral administration as EQUIOXX oral paste at a daily dose of 0.1 milligram per kilogram for four days• 20 nanograms per milliliter of plasma or serum		
Flunixin (Banamine)	32 hours	48 hours secondary anti-stacking withdrawal guideline
<ul style="list-style-type: none">• Single intravenous dose of flunixin as Banamine (flunixin meglumine) at 1.1 milligram per kilogram• 20 nanogram per milliliter of plasma or serum• Secondary anti-stacking threshold: 3.0 nanograms per milliliter of plasma or serum		
Ketoprofen (Ketofen, Orudis)	24 hours	48 hours secondary anti-stacking withdrawal guideline
<ul style="list-style-type: none">• Single intravenous dose of ketoprofen as Ketofen at 2.2 milligrams per kilogram• 2 nanograms per milliliter of plasma or serum• Secondary anti-stacking threshold: 1 nanogram per milliliter of plasma or serum		
Phenylbutazone (Bute)	24 hours	48 hours secondary anti-stacking withdrawal guideline
<ul style="list-style-type: none">• Single intravenous dose of phenylbutazone at 4.0 milligrams per kilogram• 2 micrograms per milliliter of plasma or serum• Secondary anti-stacking threshold: 0.3 micrograms per milliliter of plasma or serum		

Please note that if two NSAIDs are administered the test samples may contain one of the NSAIDs listed above at a concentration up to the primary threshold and the sample may also contain another one of the NSAIDs but Flunixin, Ketoprofen, or Phenylbutazone must be at a concentration up to the Secondary Threshold.

Bronchodilators

Albuterol (Proventil, Ventolin) 72 hours

- 720 micrograms total dose intra-nasal only. Based upon dosing up to 4 times per day
- 1 nanogram per milliliter of plasma or serum
- Administration of albuterol by any means other than intra-nasally has a high likelihood in resulting in a positive finding. This specifically includes oral administration. Veterinarians are cautioned against using oral albuterol.

Clenbuterol (Ventipulmin) 14 days

- Oral administration of clenbuterol as Ventipulmin® syrup at 0.8 mcg/kg twice a day
- 140 picograms per milliliter of urine or Level of Detection in plasma or serum

Medication and Prohibited Practices Penalties

- 1) If a positive test result is received and a confirmation test is not requested or is confirmed by a laboratory selected by OBS for the administration of:
 - a) Any exogenous anabolic steroids administered within 45 days;
 - b) Undisclosed medication administered within 72 hours;
 - c) An RCI class 1 or 2 medication, Salix, procaine penicillin;
 - d) Clenbuterol administered within 14 days, or any other bronchodilator administered within 72 hours;

The purchaser shall have the right to rescind the sale and the consignor shall refund any sales proceeds paid to consignor by OBS and pay the purchaser or OBS all proper expenses and legal fees incurred by either of them from the time of the sale until the return of the horse to the consignor or consignor's owner.

If the horse did not go through the auction ring, the horse shall be withdrawn from the sale and shall be removed from the sales grounds immediately. The consignor shall be responsible for OBS fees, penalties, and expenses.

If the horse went through the auction ring and was not sold, the horse shall be removed from the sales grounds immediately. The consignor shall be responsible for OBS fees, penalties, and expenses.

- 2) Horses that have been subject to any of the following prohibited practices shall be subject to return or withdrawal and the consignor shall be responsible for expenses incurred by the purchaser and for OBS fees, penalties, and expenses:
 - a) Extracorporeal Shock Wave Therapy or Radial Pulse Wave Therapy
 - b) Acupuncture and/or Electro-Stimulation with the intent of altering laryngeal function
 - c) Electrical devices designed or used to increase the speed of a horse. Anyone in possession of a prohibited electrical device will be banned from the OBS sales grounds.
 - d) Any invasive practice which intentionally conceals a material defect or chronic lameness.
 - e) Internal Blister or other injections to the knee intended to have the effect of concealing the true conformation of the horse is not permitted at any time.
- 3) The consignor will be subject to the penalties in section four (4) if a positive test result is received and a split sample test is not requested or is confirmed by a laboratory selected at the sole discretion of OBS which indicates the administration of:
 - a) Nonsteroidal anti-inflammatory drugs (NSAID) or bronchodilators at levels above the threshold indicated in the RCI Controlled Therapeutic Medication Schedule - Version 2.2, Revised April, 2015
 - b) Any medication within 24 hours of the horse's under tack show performance
 - c) More than one (1) corticosteroid
 - d) More than two (2) non-steroidal anti-inflammatory drugs (NSAIDs)
- 4) The consignor will be subject to the following penalties for positive test results in section One (1) and Two (2); or prohibited practices in section Three (3):
 - a) 1st offense - Warning with a maximum fine of \$1,000; possible increased testing of consignors' horses at consignor expense.
 - b) 2nd offense - Warning with a maximum fine of \$1,500; increased testing of consignors' horses at consignor expense; possible suspension of consignor for up to 1 year to be determined by OBS Board of Directors.
 - c) 3rd offense - Fine of \$500 to \$2,500 absent mitigating circumstances; increased testing of consignors' horses at consignor expense; possible suspension of consignor for up to 2 years to be determined by OBS Board of Directors.
- 5) Funds collected from fines levied will be distributed to a thoroughbred industry related charity at the sole discretion of the sales company. Fines will be deducted from proceeds when available. Failure to pay fines may result in suspension from participating in OBS Sales.

UNDER TACK SHOW INFORMATION

The under tack show will start 8:00AM each morning.

March 9 (hips 1 – 225) ■ March 10 (hips 226 – 450) ■ March 11 (hips 451 – 677)

UNDER TACK SHOW POLICY: At any time after the starting pole which the horse begins to breeze (i.e 1/8, 1/4, or 3/8), a rider may only use the riding crop while both hands are holding the reins and may not strike the horse behind the girth. A rider is prohibited from striking the horse in any manner beyond the finish line. In situations where the safety of the horse or rider is in jeopardy, a riding crop may be used in front of the girth. Excessive whipping before the beginning of the work or in preparation for a breeze is prohibited. Spurs are not allowed at an under tack show. Any infraction of this rule will result in a fine of \$500 fine to be paid by the consignor. Chronic offenders may be banned from riding on the sales grounds. The sales company or its representatives have full, final and sole authority to interpret and enforce this rule. Funds collected from fines levied will be distributed to a thoroughbred industry related charity at the sole discretion of Ocala Breeders' Sales Company.

SAFETY VESTS AND HELMETS: OBS requires **ALL** riders to wear an approved safety vest and helmet while on horseback. This applies to anyone aboard any horse (ponies included). Safety vests must be zipped and helmet straps fastened at all times including to and from the racetrack and in the shed row.

TRACK RULES

1. Do not jog horses on the horse path.
2. Stay off the rail unless you are breezing.
3. OBS saddle towels must be on sale horses by Thursday, March 2nd.

TRACK HOURS: Through February 26th the main and training track hours are 6:00 AM until noon. Starting Monday, February 27th track hours will be 6:00 AM until 1:00pm (both tracks) and the ¾ chute will be open. There will be a break on the main track starting at 9:00 AM and there will be a break on the training track starting at 9:30 AM. Thursday thru Saturday, March 9- 11: the main track will be CLOSED for the Under Tack Show, but the Training Track will be open 6:00 AM until noon with a break at 9:30

MEDICATION REPORTS: Must be submitted the earlier of 12 hours after treatment or 1 hour prior to the start of the under tack show or sale session. (***MEDICATION REPORTS FOR ALL HORSES MUST BE SUBMITTED BEFORE THE UNDER TACK SHOW STARTS***).

WASH RACKS/PENS: Wash racks are not allowed on the sales grounds in order to allow ample room for consignors to show their horses and help the overall look of the grounds.

WORK & GO: Work & Go horses will not be allowed during under tack shows. Sunday, February 26th will be the last day for Work & Go's until After the March Sale.

ATTENTION CONSIGNORS:

All horses must be off the grounds by **Friday, March 17th**. Please make arrangements to ship your horses. **Please notify us if you have April Sale horses.**
