

This is the OBS bidders screen. Please note: this screen will open in a standalone window. If you navigate away from it, hover over your browser icon to get back to it.

This upper left box contains information of the current horse in the ring. There are links that will take you to detailed information about the horse in the OBS website.

You can enter a "Max Bid" for an individual horse. The software will bid for you up to that amount as long as someone is bidding against you. Only you know the max bid. **PLEASE READ MAX BID DETAILED INFORMATION BEFORE USING.**

Use this button to toggle between the index of horses or the a zoomed pedigree of the current horse in the ring.

These buttons let you toggle between the live sale and any recorded videos or pictures of the horse in the ring, like the catalog page, under tack video and

The "Sold Amt" reflects the hammer price for each horse. For detailed sales results go the OBS website.

This is an index of the horses in the sale. Hover over the icon on the left for a catalog page or double click on the sire/dam for detailed information on each horse.

check this box if you want the horse index to automatically follow the sale. The horse in the ring will be at the top of the index.

The number at the top of the box is the Current Bid. The number in the red bid bar is always the Asking Price.

This is your online bid board. You can keep track of the current bid, bidding history on the horse and place your bid.
